1. I Wanna Be Adored

- I don't have to sell my soul, he's already in me. I don't have to sell my soul, he's already in me.
- I wanna be adored.
- Adored, I wanna be adored. You adore me. You adore me. You adore me.
- I wanna be adored.

2. She Bangs The Drums

- I can feel the earth begin to move, I hear my needle hit the groove, And spiral through another day, I hear my song begin to say, Kiss me where the sun don't shine, The past was yours, But the future's mine, You're all out of time.
- I don't feel too steady on my feet, I feel hollow I feel weak, Passion fruit and holy bread, Fill my guts and ease my head, Through the early morning sun, I can see her here she comes.
- She bangs the drums.

"She Bangs the Drums" was the second single from The Stone Roses' debut album. It was released in the UK, Japan, and Germany. The single was their first Top 40 hit, peaking at #36 on the UK Singles Chart in July 1989.

3. Waterfall

Cover of the Waterfall single

- See the steeple pine, The hills as old as time, Soon to be put to the test, To be whipped by the winds of the west.
- Stands on shifting sands, The scales held in her hands, The wind it just whips her and wails, And fills up her brigantine sails.
- She'll carry on through it all, She's a Waterfall.

4. The Second Coming

Love Spreads

- Love spreads her arms, waits there for the nails. I forgive you, boy, I will prevail. Too much to take, some cross to bear. I'm hiding in the trees with a picnic, she's over there, yeah.
- Let me put you in the picture, let me show you what I mean. The messiah is my sister, ain't no king man, she's my queen.
- I have a dream, I've seen the light, don't put it out 'cos she's alright, yeah, she's my sister.

Ten Storey Love Song

- When your heart is black and broken, And you need a helping hand, When you're so much in love, You don't know just how much you can stand.
- When your questions go unanswered, And the silence is killing you, Take my hand baby, I'm your man, I got lovin' enough for two.

"Ten Storey Love Song" is a The Stone Roses single released in March 1995. It was written by guitarist John Squire. It reached number 11 and spent three weeks in the UK Singles Chart. The image is the Second Coming album cover because the Ten Storey Love Song cover is boring.

Begging You

- The fly on the coachwheel told me that he got it and he knew what to do with it, Everybody saw it, saw the dust that he made. King bee in a frenzy, ready to blow, got the horn good to go wait. Oh, his sting's all gone, now he's begging you, begging you.
- Here is a warning, the sky will divide. Since I took off the lid, there's nowhere to hide. Now I'm begging you, I'm begging you, This is a mystery not to be solved, but be minded, like minded, I'm gone, Still I'm with you, I'm begging you, I'm begging you.

"Begging You" was a loud cacophonous track with heavy drum beats, soaring guitars, pulsing bass and apocalyptic lyrics, released as the final single before the Stone Roses split, and was the third single from the album Second Coming. It was released in the UK and Australia, peaking at #15 on the UK Singles Chart.
